The Dimmer View

By MAX GOODWIN

Dick Henderson is dead. He died of complications of his age at 77 after being hospitalized less than a week.

He resisted the call of fate far longer than many of us could, because he had the determination to do so. He knew that death beckoned months before he submitted.

He said to me just a few weeks ago that he wanted to go on "leave-of-absence" from his job on this newspaper, to paint his house, to arrange his affairs and to tie the few loose ends his life contained.

I used to rib him because his name was Dick. . . not "Richard" as many thought. He would explain this to me carefully each time I needed him that he was big enough to give up the nickname. They give up the nickname after they get to high school age I used to tell him. He would chuckle that he wasn't as old as I was trying to make him.

Dick was really a boy at heart. His mind was keen and he was more physically alert than many of us until the day came when he could resist the Great Force no longer. Often he visited my home, and many others, bringing little gifts of cheer to the youngsters. He was particularly fond of little boys.

Dick was never a parent but he was an authority on raising kids. Never did a week pass without our family getting a clipping on child raising which Dick had come across in his constant reading.

He didn't hold much with the modern philosophy of raising kids in a clinical atmosphere. He thought they ought to be spanked a little, loved a lot . . . and spoiled scandalously. This he did to my kids, the neighborhood kids, the 4-H kids, the school kids . . . and the adult kids, too. I am ashamed to admit, but proud to report, that Dick gave my boy the first fishing rod he ever owned. This was a prerogative I had secretly reserved for myself . . . but Dick and I shared it.

I think that Dick was never happier than the day we announced we were going to sponsor the first elementary school marble contest and that Dick was to be director and judge. He bought

Grove Demos Re-Elect All Officers

The Lemon Grove Democratic Club gave its officers a rousing vote of confidence at its December meeting last Friday by unanimously electing them to a second term to serve through 1958. They are: Mrs. H. J. Warner, president; Ted Nachison, vice-president; Mrs. Leo Casteau, secretary, and Mrs. H. B. Payne, treasurer. The forthcoming convention of the California Democratic Council of Clubs, to be held in Fresno on January 10-12, 1958, was the main topic discussed; Bert Betts giving a rundown of the Democrats who have thus far declared for the U.S. Senate and the various state constitutional offices.

Lemon Grove will be well represented at the convention by a seven-member delegation, including Mrs. Warner, Mr. Nachison, and Mrs. Bert Betts, who are delegates from the local club, and Mrs. Geneva Engelstad, Leo Casteau, and John Dall, who are alternates; also, Mrs. John Landesco, who is a delegate from the League of Democratic Women, a county-wide organization. The delegation will support Bert Betts in his bid for endorsement as Democratic candidate for State Treasurer.

The group will meet in January—date and place to be announced—to discuss Fresno convention results, and to plan participation in endorsing a candidate for State Senator at the convention of the San Diego County Democratic Council of Clubs, which will be held in the U.S. Grant Hotel on Sunday, February 2, 1958. Regular meetings with featured speakers will be resumed on February 14.

APPRECIATION — Vernon Booth, Matador left halfback, was recipient of the Lemon Grove Lions Club sportsman's trophy this year at the club's annual Appreciation Night dinner. Booth, son of Mr. and Mrs. D. L. Booth, 3249 Central Ave., Spring Valley, was chosen by the rest of the players on the Mt. Miguel team as the "most outstanding" player. He is vice-

president of Mt. Miguel senior class and is a member of the wrestling team. Shown with Booth who is holding the large trophy, are Mel Grant, Mt. Miguel School principal; Tom Welbaum, school's athletic director; Booth, and Dr. Calvin K. Nicholl, Lions president. The club sponsors the school's football team. — Tappy Foto

VETERAN NEWSMAN PASSES

Dick Henderson, left, looks on as he and other newspaper staff members check through a current edition.

A San Diego County veteran newspaperman, Dick Henderson, 77, of 4920 Bancroft Drive, La Mesa, until recently employed on this newspaper, passed away in a San Diego hospital Monday morning. Cremation followed at Greenwood Mortuary. His widow Pearl is his sole survivor.

Born in Eugene, Oregon, Dick and his parents came to California in 1881, when he was just one year old. His father, who was an attorney, became a partner of the late Judge N. A. Luce, father of Judge Edgar Luce. That was in the early 1890's. The Henderson family at that time moved to Boulder Creek.

Dick, who was educated in San Diego schools, first went to the old Middletown School, along with Edgar Luce. The friendship had lasted throughout the years. Dick Henderson's newspaper career included editorship on the Coronado "Strand", the La Jolla "Journal", the San Diego "News" and the Blythe (Calif.) "Herald". His final newspaper affiliation was as reporter for the Lemon Grove "Review" and Spring Valley "Bulletin".

From 1931 to 1955 Dick Henderson had done seasonal work for San Diego County, in the tax collector's, the assessor's and the auditor's offices at Civic Center.

Interest is unusually high in the "sack of silver" promotion of the Lemon Grove Boosters Club. Lew Brouillard, president of the group said this week. He said that people from all over the county are requesting the coupons by which the winner will be named next week.

On Monday, at 7 p.m. all interested persons are invited to observe the drawing of the winner's name. It is not necessary to be present to win, nor must any purchase be made to obtain the coupons.

BWL Xmas Party Is This Week

The club has cancelled the January 2 dinner meeting making the first meeting in 1958 a luncheon affair on January 16.

Earlier Deadline For Holidays

This newspaper will be delivered next week on Tuesday. This will serve two purposes. It will permit all of us to say "Merry Christmas" to you with our annual Christmas edition and it will permit us to be closed the day before Christmas as well as Christmas Day.

For those of our readers who supply material to be published from time to time we wish to remind them that it should be in our hands this week. We'll be open all day Saturday to accommodate the holiday schedule.

Shopping Center To Do \$23 Million Business First Year Says Developer

The Lemon Grove Men's Club heard Elliott Cushman, San Diego newspaper publisher and investor, tell Friday of the mechanics of putting together a \$10 million, 100 acre regional shopping center.

The center is scheduled for La Mesa near Grossmont Hospital. He said the project would be started in about two years. He said a large contracting firm of Phoenix, had acquired the master lease and they had set 1960 as the starting and completion date.

Cushman said the 500,000 square feet of shopping area with a 4:1 ratio of parking spread over 2 1/2 million feet of ground, is expected to do \$23 million dollars worth of business the first year of operation.

"We don't expect to take business from the business people adjacent the center," Cushman said. "The business will come from the entire area. We expect to capture much of the business now

going to Los Angeles." Cushman explained this could be accomplished through "romance of shopping" which goes hand in hand with a variety of large shops in a concentrated area.

He said that "tight money" had affected the project but the money situation is changing to the extent that target dates can be set. This week's program will be the local school choir and a Christmas program will be presented.

The club meets every Friday at noon at Michael's. All men are invited. Bill Parker of the telephone company presides.

Former Assemblyman To Try For Supervisor's Seat

Ed Bulen, Escondido farmer, businessman and former assemblyman from this district (he was unseated by Hegland) said he would run for a supervisorial seat in the fifth supervisorial district.

His opponent will be Dean Howell, incumbent.

Bulen will run, he says on a platform of no raises in supervisor's pay, minimum taxes, fair assessments, better roads and Feather River water.

Residents of the fifth district have complained that too little attention is given the district by Howell. It is an open secret that residents of the north county look to Assemblyman Sheridan Hegland when they want supervisorial aid and guidance.

Rain Water Floods Pilgrim House

Damage estimated at \$200 was done to the floor and carpets of the Pilgrim House, 8131 Broadway, when water seeped into the building to a depth of several inches. It was reported by Mrs. Walter Palmer, the shop owner, Tuesday.

Seepage is rain water she said which collects from the higher ground in the rear of the shop. She said she had a similar experience in 1950.

The fire department responded to her call for assistance. Captain Ray Carmody and Fireman Jim Sanchez and Leon Anderson did a mop up job for Mrs. Palmer.

The damage was not insured, she said.

SCHOOL SUES SCHOOL SAYS RENT EXCESSIVE

The Henry George School of Social Science this week, filed suit in the Superior Court against the San Diego Unified School District for relief from excessive class-room rentals. The complaint filed by Vincent Whelan, attorney, specifically charges the school district claims "the right to charge an amount more than sufficient to pay the cost to the district for supplies, utilities, salaries to employees, etc."

Sidney G. Evans, businessman, 4062 Rosecrans, and board member of the school said, "The purpose of this suit is to focus attention, and to challenge an arbitrary and unjust school rental schedule recently adopted, which in effect discourages and deters the full force of San Diego's Educational Program. We intend to fight for the right to teach without being financially handcuffed. Non-profit, non-political, non-sectarian, tuition free schools, such as ours are vital to the growth and development of the community . . ."

The Henry George School located at 1536 7th Avenue, has been in operation over 12 years. Headquartered in New York City, the National school has been in existence since 1932.

LOMITA VILLAGE NOTES

by Edna Rice — HO 9-6832

Weis, is an amazingly realistic sight when viewed from the southeast end of Cardiff St. at sunset, silhouetted against the western sky.

The potluck dinner was sponsored by the staff and faculty wives.

Approximately 1400 parents appeared for the first annual American Education Week Open House at Mount Miguel. The response was especially good in spite of inclement weather presenting a problem of parking and access to the school over an unpaved area.

Important and additional changes in curriculum offerings for next year will be announced later in the semester. Prior to the time when students sign up for future courses.

Contemplated at the present time are additional offerings in speech, science and mathematics.

Stores which needed extra help notified the school. Then students were placed with the jobs. Other students found jobs on their own. The students who work may be excused from school for one week prior to Christmas if they complete specified make-up work in advance.

Gifts for the home will be presented by Mrs. James Grandfield, welfare chairman. Homemade dainties, ice cream, and party favors will all be included to make this a festive occasion. Members of the club will sing familiar Christmas carols under the leadership of Mrs. James Setchell, club chairman.

PLANTING FRUIT TREES

If you are going to plant some deciduous fruit trees this year, begin watching the nurseries in December. As soon as you see them getting in their nursery stock, make your selection and get your trees planted. First, because "the early bird catches the worm", the early customer gets the finest selection to choose from. Second, if you wait to plant until the little trees have been lying around enough for the moisture to have gone out of the roots, the will be slow in starting to grow. Buy them and plant them as soon as they're available.

ROSES

The same rule holds good with regard to bare root roses. The more time the roots have to dry out prior to planting, the more danger there is of die back, and the less easy it will be for the roses to get off to a good start.

HOSPITAL PERSONNEL TO BE VISITED BY GHWA SANTA CLAUS

Santa Claus is booked for a busy schedule in Grossmont Hospital this year, working through his customary stand-ins, the Grossmont Hospital Women's Auxiliary. With a "Pink Lady" (Mrs. Vernon Marsh) as his emissary, the jolly old saint is responsible for distributing the auxiliary's gift, a handsome gem stone key ring, to each member of the hospital personnel. Mrs. A. J. Monteverde, garden chairman, has been Santa's chief aide in selecting and decorating the two trees that are gifts of the auxiliary to the hospital; the lovely tree in the lobby that says "Merry Christmas" to all who enter the hospital — whether patient, visitor, doctor, employee, or auxiliary volunteer; and the no less beautiful tree that brings Christmas cheer to employees who frequent the hospital cafeteria. And, on Christmas Day, Santa is due to make his final gesture of the year by decking the patients' trays with bright favors made by the clever fingers of the auxiliary's juniors, under the direction of Miss Donna McDougal, the juniors' project chairman.

SERMON DISCUSSES FORCES BACK OF THE CHRIST POWER

The Christmas season will be observed by the Christian Scientists in the Christian Science churches on Sunday with a Lesson-Sermon which is illustrated by the birth and mission of Christ Jesus. The Lesson-Sermon Subject is the question, "Is the Universe, Including Man, Evolved by Atomic Force?"

The account of the announcement to the Virgin Mary by the Angel Gabriel that she would bear the child Jesus, is set forth when the angelic messenger tells her that she shall "bring forth a son, and shall call his name Jesus. He shall be great, and shall be called the Son of the Highest" (Luke 1:31, 32).

Parent's Guild Hears Welfare Speaker

The regular monthly meeting of the St. John of the Cross Parents Guild was held Thursday in the basement of the Church. The speaker was Mrs. J. R. Portman from the Catholics Welfare agency. She gave a most interesting talk on children and teenagers and their problems. The Traffic Safety Committee submitted 5 rules to further the safety in and around the school

to protect the children on bicycles, those walking to and from school and those riding in private cars.

MERRY WHIRLERS

The Merry Whirlers are holding their Christmas Party Saturday night, December 21, from 8 to 11 p. m., at Rolando School, with that merry, young gentleman Ron East, calling. Invited guests of the evening will be members of the club's beginners' class, who will have completed fifteen weeks of instruction.

Recently, the whole class was guests of the beginners' class sponsored by the Country Cousins, at their Christmas Party. Everyone had a wonderful time and thoroughly enjoyed their first dance. Ron East and Dell Lake shared calling honors and both were very well pleased at the rapid progress of their pupils.

However, intermediate and advanced square dancers are also welcome at our Christmas Party and a hearty invitation is extended to them also to join us on Saturday night as Ron East has a jolly evening planned for everyone.

LEMON GROVE EIGHTERS

'Twas the night before Christmas eve, and in Friendship Hall The Lemon 8'ers were having a ball;

The dancers assembled with nary a care While the spirit of Christmas enlivened each square!

With apologies to the author of the famous poem "The Night before Christmas", it's another way of reminding all that fun and festivities start at eight in Friendship Hall on Monday evening, December 23rd when the Lemon 8'ers, with caller Stan Bryan gather for their annual Christmas party. Music will be provided by the H & H Tunetwisters. There will be a 50c gift exchange of presents marked plainly His or Hers, please. And since Christmas is a time for the kiddies, don't forget to bring them along, for Santa will be there with treats for each little one.

JUNIOR LEVIES & LACES

The Levies and Laces, Junior Grade, are having a Christmas party this week on Thursday at 6 p. m. at the Lemon Grove Woman's Club clubhouse at 2310 Main Street. Guest callers and 25c gift admission will be

Gentlemen:

We have examined the financial records of the Treasurer of the Grossmont Hospital District for the period beginning July 1, 1956 and ending June 30, 1957. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet — all funds, presents fairly the financial position of each fund of the Grossmont Hospital District at June 30, 1957 and the results of the operation for the fiscal year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Your very truly,

Judy Stong Wins National Riding Trophy

Fifteen year old Judy Stong, daughter of Mr. and Mrs. E. R. Stong, 3839 Kenwood Drive in the National Ride-offs at San Francisco in November, was declared national champion for western horsemanship (stock saddle seat). The ride-offs, which were held in the Cow Palace were comprised of fifteen finalists from all over the nation. Judy was the first in Southern California to qualify. These finalists work hard all year to be able to qualify for this event and only the best of riders in showmanship are able to "make the grade".

The Stong family will travel to New Orleans the middle of January where the awards will be presented. Judy has been riding seriously since she was 9 years old. Her present mount is a quarter horse named Julio.

But Dick Henderson is dead now. He died Monday morning. He completed his chores and peacefully prepared to die. I am told he died without regrets. I know Dick died without regrets.

I thought I'd find out why the school administration decided to call the new Palm STREET School the Palm AVENUE School.

Paul Reynolds, who is as smart a business manager as you can find in any school district explained it like this:

"Mount Miguel High School isn't on Mt. Miguel, and Golden Avenue School doesn't face on Golden Avenue, so we thought we'd call the school on Palm Street the Palm Avenue School."

To add to the informality, the Lemon Grove postmaster said it didn't make any difference to him what designation is used. He'd deliver on Palm Street, he said, whether it was designated street, avenue or boulevard.

There are those who think that newspapers, especially those which are distributed by mail have resisted the determination of the Post Office Department to increase postal rates.

This newspaper, for the greater part, circulates by mail, and we want to buy our fair share of the post office's cost in handling our newspaper.

We feel the United States Post Office Department should charge various classes of mail the actual costs of handling and take steps to assure proper and efficient handling of all mail.

This recommendation has been made by the California Newspaper Publishers Association by action of its Board of Directors in reaffirming a previous stand that all media and classes of mail should pay their own way, whether it be first, second, third or any other class of mail or service the Post Office Department may render the public.

In a formal resolution, the CNPA also declared that no one class of mail should pay more than its individual cost of handling. It was recommended that an appraisal of all classes and groups or types of mail within a given class be made to determine whether or not certain ones are paying more than actual costs.

The Post Office Department should then make necessary adjustments and put into effect remedial measures to assure proper and efficient handling of all mail with proper charges, the CNPA urged.

Copies of the Resolution were ordered mailed to California Congressmen and Senators and to

Postmaster General Summerfield.

There is considerable question these days as to whether our youngsters are being taught to the limit of their ability to absorb. This consideration makes a story reported by Bill Parker of the Telephone Company, and credited to Congressman Jim Utt, particularly appropriate.

Two youngsters were talking about the failure of metallurgical scientists to develop a substance to withstand the high pressure of speed in bringing satellites safely back to earth.

If the friction of air molecules didn't create destructive heat, the high speed impact of molecules on presently known substances would cause it to disintegrate, they decided.

A jet airplane flashed over a few moments later and they discussed the scientific philosophy by which engineers canted the wings of fast aircraft 8 degrees more, producing less drag, hence higher speed.

The school gong interrupted their discussion.

"Heck," said one, "I guess we'll have to go back in and string beads the rest of the day."

We got a chuckle out of the story Lee Nemecek veteran grocery exec. told me at lunch the other day. Lee is a native San Diegoan but had been associated for several years with a market chain in Denver when he got a call from Lucky Stores President, Jerry Awes.

Awes asked Lee to come back to San Diego and take over the management of their Food Basket Markets division. "You'll have to come right away because we're opening a new market next month in Lemon Grove," Awes urged.

That night Nemecek told his wife that Awes had certainly flipped his lid. Awes is putting up a market in the middle of a lemon grove," he said.

Nemecek's recollection of Lemon Grove was from the seat of a model "T" Ford which dates his last trip to the land of "the best climate on earth."

When Lee visited Lemon Grove earlier this year for the first time in a decade, he was pleasantly

Holiday Program Set For Lutheran Church

A Christmas program featuring the primary and kindergarten departments of the Lemon Grove Lutheran Church will be given December 22 at 4 p.m. All members and friends are invited.

The Lutheran League will hold its Christmas party on December 23 at 6:30 p.m. Fifty cent gifts will be exchanged. All persons from the sixth grade up are invited.

The Festival Christmas Service will be held at 10:30 a.m. on Christmas day.

The choirs of the Lemon Grove Lutheran Church and the First Lutheran Church of San Diego will combine to present Bach's Christmas Cantata at 8 p.m. December 27 at the Lemon Grove church and December 29 at First Lutheran Church.

shocked. He is still enjoying the pleasing shock because the Lemon Grove Food Basket is one of the top grossing shops in the Food Basket string.

Nemecek confided a little trade secret with me that you can have just for the reading. He said there is a new delicacy being stocked in Food Basket markets because of the demand. The delicacy? Chocolate covered caterpillars! To avoid them making for a monotonous diet, you may elect to switch to chocolate covered ants.

He said he is sending me a package of the little coated creatures to prove they are real.

All I want is one squirt at them then we will pass 'em on to the first person who tells us they have a yen for them.

NEW BOOKS — Delivery of the new 1958 telephone directory begins Friday in Lemon Grove and Spring Valley. Holding the new edition is Ruth Lucas of the Lemon Grove telephone firm.

The new book features a colored cover of the California Tower in San Diego's Balboa Park. The delivery job is scheduled to be completed this month in homes and businesses throughout the county. The job was started in San Diego this week.

Growth in the area requires printing of nearly 500,000 directories for the coming year. The book will contain approximately 14,000 more names in its alphabetical sections than the current issue, he commented.

The company suggests subscriber checking through old directories for any items of value before disposing of them. "Each year we get calls from customers who are missing money, letters, documents and other valuables which they left in the directory," Bill Parker, Pacific Telephone manager said.

WHAT'S DOING

W. H. Parker, your Telephone Manager in La Mesa

Every so often I'll pick up a newspaper and read how telephone people have helped save a life somewhere. First aid instruction (above) deserves a lot of credit for this. For years we've been teaching our people first aid. Special courses like this are a part of their telephone training, under our continuing Safety Program. Our people have found that the safety methods they learned on their telephone jobs have proved mighty helpful when away from work. We think it makes good sense to have everyone well-trained in case of emergencies. Everybody's better off that way.

Looking for a Christmas gift idea that's both original and practical? Then give extension telephones — in color. Whether you're shopping for Mother, Father, Son, Daughter, Grandpa or Grandma, here's a gift that'll ring the bell all year long. And color phones not only give convenience and pleasure; they add a touch of beauty to any room. Shopping's easy, too. Just call your telephone business office.

SEASON'S GREETINGS

Here's a suggestion to help you avoid possible delay and disappointment in placing Christmas Calls to folks back East this year. If you make your calls a few days before or after Christmas Day, you will be more sure of the fast service you've come to expect.

However, all the lines will be very busy on Christmas Eve and Christmas Day, and there's bound to be some delay, and some calls may not get through at all.

To all our Lemon Grove and Spring Valley friends and customers, a very Merry Christmas from your telephone neighbors.

County Animal Shelter Opens In Valley

A San Diego County animal shelter has officially opened at 8661 Jamacha Boulevard, just

north of the Spring Valley sewage treatment plant.

The shelter, which will serve the southern part of San Diego County, from the border to Del Mar, has 20 runs. A cement block

office is in the final stages of being completed, and will have two rooms and lavatory.

Under the direction of Dr. D. A. La Mar (veterinarian inspector and animal shelter superintendent)

ent) the shelter has three deputy officers; K. L. Peterson, P. E. Gormley and W. E. Riley. Dog

licenses may be obtained at the shelter after December 23. Deadline for obtaining dog licenses

for 1958, is January 31, at a cost of \$2 per dog.

Escondido handles the animal problems for the northern half of San Diego County.

PIGGLY WIGGLY

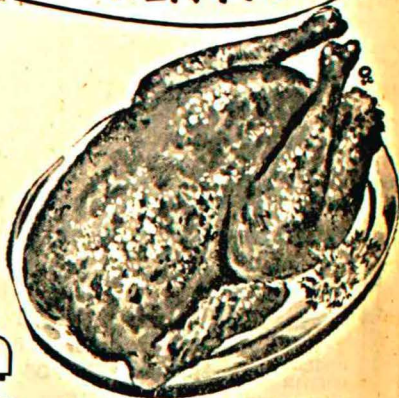

Again this Christmas PIGGLY WIGGLY will handle only the finest U.S.D.A. Inspected Hen and Tom Turkeys. These Turkeys are especially bred to be meatier, more tender and flavorful. They're absolutely clean, Ready for the Oven — Easy to Roast.

MERITORIOUS — Jim Henderson of 6590 MacArthur Drive, Lemon Grove, a Helix High senior, is a semi-finalist in the National Merit Scholarship Qualifying Tests, according to Benton Hart, principal. Upon passing a College Board Examination Henderson will then be in line for a part of the \$4 million in Merit Scholarships to be awarded in the 1958 Program. The 7,500 semi-finalists named to date represent one-half of one per cent of the national senior class, and each state is represented according to its high school population. The competition is open to any public, private, or parochial high school in the U.S.

Leonard Back In As Hiway 94 Head

At a recent meeting of the Highway 94 Club, Eddie Leonard of Dulzura was re-elected president. Other officers chosen were: William Avril, first vice-president; Charlotte Holcomb, second vice-president; George Taylor, treasurer; Yvonne Beckett, secretary; and E. L. Lonargan, director.

The meeting followed the annual Christmas party and potluck supper given by the club. There were about 200 persons present, with special guests from all over the county, including many county officials and the Dulzura 4-H group.

The Highway 94 Club furnished 10 turkeys for the spread, and the food was served family style, on tables decorated in the Christmas theme.

President Leonard and second vice-president Charlotte Holcomb acted as emcees. The program included children from the Dulzura school singing Christmas carols, directed by Miss Myers, school teacher, and accompanied by Mrs. Rasmussen; Mr. Al Drew, formerly of Spring Valley sang two numbers; and the final number was an exhibition dance by Beulah McCann and Dave Preston.

Council For Blind To Avoid Overlap In Effort

Six organizations of San Diego County, pertaining to employment, health, recreation and training have joined the United Council for the Blind, that they may become more understanding and friendly toward each other and help estimate any overlapping activities for the blind that may exist.

The first project for the council is to form a "Service Bureau" to provide services for the blind which they need but are too proud to request; shopping, sewing, banking and transportation. This is to be a "two-way" organization; the blind requesting and the sighted offering. All requests will be cataloged, under the direction of Mrs. George Miller, herself being blind. Anyone caring to offer their services may do so by calling AT 2-2317.

Next meeting of the council will be December 30 at 8 p. m. in the Blind Recreation Center, 1805 Upas Street, San Diego. For further information call CY 5-2303.

Nativity Scene To Be L.G. Attraction At Skyline Methodist Church

The Skyline Wesleyan Methodist Church announces through the pastor, Rev. Orval C. Butcher, that the traditional Living Nativity Scene presented annually by the Wesleyan Youth will be lighted December 20 at 6:30 p.m. That evening at 7, the Sunday school children will offer their Christmas program. Each night, until Christmas Eve, those driving on Skyline Dr. and Jamacha Rd. will witness one of the most outstanding Christmas displays in the county. The large shed houses the characters portrayed by costumed people, and live barnyard animals. The musical background provided by the church organ and beautiful lighting of the scene affords an impressive pageantry of the Christmas story. Costumes have been designed and sewn by members of the Missionary Society, under the leadership of the work director, Mrs. Donald LeGrand.

One of the high points of the church's Christmas activities will be the rendition of a new cantata, "Down the Stairway of Stars," written by Associate Pastor Deric Johnson, in collaboration with Mr. Don Grant. It will be presented by the church choir Sunday evening, December 22nd at 7:30. This cantata was completed since Pastor Deric has come to this church recently. He is being introduced to the community through this unusual musical production, which combines modern music arrangements with the old carols and scriptures.

Xmas Play Written, Presented By Pastor's Wife

The annual Christmas Pageant, entitled, "The First Christmas," will be presented at the local First Baptist Church this Sunday evening at 7:15 o'clock, under the direction of the pastor's wife, Mrs. Bob G. Rochelle. This pageant has been composed, produced and presented several times by Mrs. Rochelle and is one of the most outstanding presentations of Christmas pageants put on in churches today. It was presented in the early fifties to the veterans in the Veterans Hospital in Memphis, Tenn., and proved to be one of the outstanding events of that Christmas season. More than thirty-five persons make up the local cast of characters and many hours of preparation have been given by members of the local church in getting ready for this presentation. The public is cordially invited to attend and help to enjoy this beautiful service that will prepare hearts for the true Christmas spirit. The music will consist of Christmas carols by the local choir under the direction of Gil Jordan, the choir director.

The pastor will speak at the 10:45 worship hour Sunday morning on the subject, "Star Trails to Christmas." Nursery service is provided for all preschool children during Sunday School and morning worship. Departments and classes with trained teachers are provided for all age groups.
